Program Management Consultant for Renewable Energy IPP Facilitation Project	RFP / MFK /2019/ QCBS / No. 016	<p>The central goal of this procurement activity is for MFK to conduct a series of capacity building activities to build the institutional and technical capacities of the Kosovo Credit Guarantee Fund (KCGF), its partner financial institutions, and key public and private sector key stakeholders so that KCGF can launch and implement a renewable energy guarantee window to support its partner financial institutions on a sustainable cost-recovery basis. Additionally, the Program Management Consultant (PMC) would serve as the principle point of contact and a key interlocutor to represent both MFK and KCGF in the on-going daily processes to raise and deploy needed guarantee capital to support that window as well as oversee the technical assistance resources building the capacity of KCGF, partner institutions, and IPP developers. The Program Management Consultant will oversee and coordinate all of that technical capacity building services on behalf of MFK, develop subsequent ToRs and Scopes of Work for needed procurements during the remaining Threshold Period, and perform all routine program management related activities successfully administering those technical consulting contracts for MFK and MFK’s Implementing Entity (IEA) partners and designated key stakeholders. The aim of this PMC procurement is to help solidify collaboration between MFK and KCGF and successfully launch a renewable energy guarantee window on behalf of KCGF and Kosovo.</p>	QCBS	\$ 599,763.05	Financial Markets International, Inc.
