

MILLENNIUM FOUNDATION KOSOVO

CONTRACT AWARD NOTICE

The United States of America, acting through the Millennium Challenge Corporation (“MCC”) and the Government of Kosovo (the “Government” or “GoK”) have entered into a Millennium Challenge Threshold program agreement for Millennium Challenge Account assistance to help facilitate poverty reduction through economic growth in Kosovo (the “Threshold program agreement”) in the amount of approximately 49 million USD (“MCC Funding”). The Government, acting through Millennium Foundation of Kosovo (the “MCA Entity”), intends to apply a portion of the MCC Funding to eligible payments under a contract for which this procurement activities issued. Any payments made by the MCA Entity under the proposed contract will be subject, in all respects, to the terms and conditions of the Threshold program agreement and related documents, including restrictions on the use and distribution of MCC Funding. No party other than the Government and the MCA Entity shall derive any rights from the Threshold program agreement or have any claim to the proceeds of MCC Funding. The Threshold program agreement and its related documents can be found on the MCC website (www.mcc.gov) and on the website of the MCA Entity <https://millenniumkosovo.org/>.

Activity Ref No: RFP/QCBS/ No. 2019/013

Activity Name: PROCUREMENT OF QUALITY CONTROL SUPERVISING CONSULTANT FOR PIEE IMPLEMENTATION

Procurement Type & Method: QCBS

Contract No: RFP / MFK /2019/ QCBS / No. 021

Contract Title: QUALITY CONTROL SUPERVISING CONSULTANT FOR PIEE IMPLEMENTATION

Awarded To: Joint venture: Alb-Architect L.L.C in Association with LDK Consultants Engineers and Planners S.A

Price: \$ 660,000.00

Date of Award: 26 June 2020 (The effective date 14 calendric days after contract signature)

Duration: 30 September 2021, unless otherwise agreed upon by both parties.

Scope (Summary): The quality control services will cover specific parts of PIEE implementation, in a role which is similar to an owner’s Engineer as described in the FIDIC Yellow book. In addition to supervising engineering disciplines, it is expected to cover the cross-cutting components such as Environmental, Social, Health and Safety as well as Gender and Social Inclusion compliance. However, the Supervising Consultant is not expected to exercise formal supervision over the IC, but rather monitor and report findings directly to MFK to enable the latter to make informed decisions.
