AMENDMENT # 2

to Request for Quotation

Publication reference: Contract for the Construction of Household Efficiency Retrofits (HER)

Reference No.: RFQ / 2020/ NO. 015

- A) The following corrections are made to: SECTION 1 – TECHNICAL SPECIFICATIONS, under "1.1. Description on the Works (Works Order)", page 14 of the RFQ

The former text:

1.1. Description on the Works (Works Order)

After the Grant Agreement is signed with the individual household¹, MFK will issue a Works Order for the implementation of construction works for energy efficiency measures accepted by the HH. Work Order will be based on the specific sub-project Bill of Quantity delivered by the Contractor during the execution of individual Service Order for that household.

Contractor shall, with due care and diligence, and in accordance with the provisions of the IDIQ contract, execute, complete and remedy any defects in the works. The Contractor shall provide all personnel, materials, plant, equipment and all other items, whether of a temporary or permanent nature, required for the execution and completion of works, and for remedying any defects, in so far as is specified in, or can be reasonably inferred from, the contract. **The warranty on the implemented works is two three (3) years from the date of handover of works.**

Shall read now:

1.1. Description on the Works (Works Order)

After the Grant Agreement is signed with the individual household², MFK will issue a Works Order for the implementation of construction works for energy efficiency measures accepted by the HH. Work Order will be based on the specific sub-project Bill of Quantity delivered by the Contractor during the execution of individual Service Order for that household.

Contractor shall, with due care and diligence, and in accordance with the provisions of the IDIQ

¹ Grant Agreement is based on the sub-project BoQ prepared and delivered by the Contractor in the previous phase (i.e. during the execution of Service order)

² Grant Agreement is based on the sub-project BoQ prepared and delivered by the Contractor in the previous phase (i.e. during the execution of Service order)

contract, execute, complete and remedy any defects in the works. The Contractor shall provide all personnel, materials, plant, equipment and all other items, whether of a temporary or permanent nature, required for the execution and completion of works, and for remedying any defects, in so far as is specified in, or can be reasonably inferred from, the contract. **The warranty on the implemented works is two (2) years from the date of handover of works.**

All other terms and conditions of the RFQ remain unchanged. The above amendment to the RFQ constitutes an integral part of referenced RFQ.
