The Millennium Foundation Kosovo has received financing from the Millennium Challenge Corporation toward the cost of the “Threshold Program agreement”, and intends to apply part of the proceeds toward payments under the contract for the Contract for the Construction of Apartment Building Efficiency Retrofits (AER) – Lipjan.

MCC’s funding is appropriated by the U.S. Congress and obligated to the threshold up-front, with no incremental or partial funding. So, when a contract is signed with an MCA Entity, money is already available to the MCA Entity and, for most contracts, invoices are paid directly to Contractors/Consultants/Suppliers by the US Treasury.

MFK now invites *password protected bids* from eligible *bidders* for the Works Requirements.

Bidding will be conducted through the *Shopping* procedures as specified in the MCC Program Procurement Guidelines (PPG), and is open to all eligible bidders or consultants as defined in the PPG.
