

**Millennium Foundation Kosovo**  
**NOTIFICATION OF CONTRACT AWARD**

The United States of America, acting through the Millennium Challenge Corporation (“MCC”) and the Government of Kosovo (the “Government”) have entered into a Millennium Challenge Account Threshold Program Grant Agreement assistance (a “Grant Agreement”) to help facilitate poverty reduction through economic growth in Kosovo (the “Program”) in the amount of approximately 49 million USD (“MCC Funding”). The Government, acting through Millennium Foundation Kosovo (the “MCA Entity”). Millennium Foundation Kosovo has awarded the following contracts during the period above to implement the Threshold Program.

**September 2021**

Activity Name:	Action ID	Description	Method of Procurement	Final Contract Amount	Name of Firm(s) / Individual(s) Contracted	Effective Date of Contract	Completion Date
"Procurement of Consultant Services IPP and Energy Efficiency Project Accelerator and Pipeline Development Consultant: Demand-Side Training, Firm-Level Engagement, and Marketing Strategy "	RFP / MFK / QCBS / 2020 / No. 011	IPP and Energy Efficiency Project Accelerator and Pipeline Development Consultant: Demand-Side Training, Firm-Level Engagement, and Marketing Strategy activity, implemented by the MFK, the selected Contractor will work with the KCGF and the PMC to act as a “project accelerator” that will develop the pipeline for the new guarantee window, as well as provide technical assistance to support IPPs to standardize documentation and reach financial close (i.e., through project finance in the form of KCGF-backed loans). Accelerator activities will include providing training to IPPs and other eligible entities to improve their ability to access external financing, marketing the new guarantee product, increasing awareness within the RE sector, and supporting related KCGF branding and communication needs. Collectively, this work will accelerate the pipeline of bankable IPPs, RE projects, efficiency projects and increase linkages with financial sector stakeholders, including the KCGF. Program Management Consultant for Renewable Energy IPP Facilitation Project	RFP / MFK /2019/ QCBS / No. 016	The central goal of this procurement activity is for MFK to conduct a series of capacity building activities to build the institutional and technical capacities of the Kosovo Credit Guarantee Fund (KCGF), its partner financial institutions, and key public and private sector key stakeholders so that KCGF can launch and implement a renewable energy guarantee window to support its partner financial institutions on a sustainable cost-recovery basis. Additionally, the Program Management Consultant (PMC) would serve as the principle point of contact and a key interlocutor to represent both MFK and KCGF in the on-going daily processes to raise and deploy needed guarantee capital to support that window as well as oversee the technical assistance resources building the capacity of KCGF, partner institutions, and IPP developers. The Program Management Consultant will oversee and coordinate all of that technical capacity building services on behalf of MFK, develop subsequent ToRs and Scopes of Work for needed procurements during the remaining Threshold Period, and perform all routine program management related activities successfully administering those technical consulting contracts for MFK and MFK’s Implementing Entity (IEA) partners and designated key stakeholders. The aim of this PMC procurement is to help solidify collaboration between MFK and KCGF and successfully launch a renewable energy guarantee window on behalf of KCGF and Kosovo.
